

Future Academy Autumn Newsletter 2023

Thanks to the generosity of our donors, we continue to deliver educational, sporting and leisure activities to 120 refugee children living in Burj Barajneh and Shatila camps, Beirut. www.future-academy.net

Enrichment Programme

This year we have been able to add enrichment activities to our core provision. Many of our students are effectively stateless and will always live in a refugee camp; this programme provides new and exciting experiences, a chance to explore wider Beirut, and an opportunity to learn new skills and to make new friends. Activities have included:

Beach Trips

Despite living less than half an hour away, many of our students had never been to the beach before. They are planning their return already

Creativity

Obrigado to musician **Kevin Safadi**, and gracias to hairdresser **Claire Lee** for inspiring and exciting our students.

Tournaments

Thanks to **Watford FC**, **KitAid**, **Arsenal**, **Aced Project**, **Les** and **Emile Smith Rowe** for supplying kit and smiles to all.
